Blue Mountain Music is an independently owned music publishing company established in 1962 by Island Records founder, Chris Blackwell. For over 50 years, Blue Mountain has been working with the very best songwriters from around the world. Blue Mountain is home to iconic music catalogs which include compositions by Bob Marley, Burning Spear, Toots and the Maytals, The Congos, John Martyn and U2. Blue Mountain Music remains invested in discovering and nurturing new talent as evidenced by the addition of Chronixx, Dawn Golden, Houses, John Grant amongst many others.
