

DAVE NAVARRO

With his six-string skills best described as a merger between heavy metal, psychedelia, and modern rock, Dave Navarro became one of alternative rock's first true guitar heroes. Navarro is a member of the alternative rock band Jane's Addiction (four studio albums) and a former member of the Red Hot Chili Peppers (one album). He also released one solo album *Trust No One* (2001). Navarro has additionally been a member of the Jane's Addiction spin-off bands, Deconstruction and The Panic Channel. AllMusic's Greg Prato described him as "one of alternative rock's first true guitar heroes", with an eclectic playing style that merges heavy metal, psychedelia, and modern rock. "He's one of the last great guitarists," says Henry Rollins, former Black Flag singer, who saw him playing with Jane's Addiction.
