PRIMARY WAVE  
ENTERTAINMENT

21 year old Kieran Watters is a producer / songwriter managed by Alyssa Castiglia of Primary Wave and Sam Watters. The son of a successful music producer, Kieran grew up in the recording studio, where he honed his skills for engineering, creating, and facilitating artistry. He's produced 3 songs on the upcoming release by Wiley From Atlanta, and is a frequent collaborator with artist writers such as Chloe Black, Char, Julian Soto, Kyle Lux, Reske, Wes and Taylor, Pell, Sylo Nozra, and more. Inspired by a diverse list of musicians, producers, and artists that includes J Dilla, Flying Lotus, Portishead, Danger Mouse, and Monte Booker, Kieran seeks to develop a unique sound that marries the emotional to the avant-garde; the beautifully familiar to the undiscovered.
