Kiiara's hit single "Gold" went 2x Platinum with 430 Million streams on Spotify. At radio it peaked at #4 on CHR and was beautifully synced in an Apple Watch commercial. Kiiara then embarked on her first headlining club tour in 2016 followed by the coveted direct support on The Chainsmokers 2017 arena tour for 30+ dates including a standalone performance at Coachella. Kiiara then featured on Linkin Park's final radio hit "Heavy" which was written by Julia Michaels. Kiiara is currently recording with Jason Evigan, Ali Payami, Whethan, Fred Ball, Lido and MAG. Her duets with Cheat Codes and separately Alma were recently released.
