

SKILLET

SKILLET is one of the best-selling rock bands of the 21st century. The two-time GRAMMY® Award-nominated, Pandora Billionaires Club members, and multi-platinum rockers have an undying spirit that has humbly asserted and affirmed them as one of this generation's most successful rock acts. However, as all classic underdog stories do, it happened quietly under the radar. By 2019, they not only garnered a pair of GRAMMY® Award nods and sold over 17 million albums worldwide, but they also took home a Billboard Music Award for the double-platinum *Awake*. Its breakout single "Monster" is 5x platinum and remains "one of the most-streamed rock songs of all-time." 2016's *Unleashed* bowed at #3 on the Billboard Top 200. Hitting #1 on Rock Radio, the lead single "Feel Invincible" cracked 643 million global audio streams and went double platinum. Meanwhile, the gold-certified *Unleashed* became their fourth consecutive album to achieve gold, platinum, or double-platinum status. Their 2019 release *Victorious* included the top ten rock radio hit "Legendary," which lived up to its name with over 108 million streams. To date, ten original tunes earned RIAA recognition in tandem with high-profile syncs by everyone from WWE and Marvel to ESPN and NFL. Between selling out arenas in 26 countries and four continents, the group performed on CONAN and graced the pages of *USA Today* and *The New York Times*. Skillet debuted their first graphic novel, *EDEN: A Skillet Graphic Novel* with Z2 Comics, which became the publisher's best-selling book of all time, followed by *EDEN II: The Aftermath*. Skillet's latest project, *DOMINION*, is one of the highest charting rock and metal albums of 2022 and available now.
