

THE IDIOT

22 year old Kieran Watters (professionally known as The Idiot) is a producer / songwriter managed by Sam Watters (manager of Lucky Daye) & Alyssa Castiglia of Primary Wave who is signed to Pulse Music Group for publishing. The son of a successful music producer, Kieran grew up in the recording studio, where he honed his skills for engineering, creating, and facilitating artistry.

Most recently, Kieran was selected to participate in Spotify's new *Fresh Finds Spotify Singles* program alongside *Unusual Demont*. He also produced and co-wrote Esty's "7heaven" (performed live on *COLORS* in partnership with Burberry), Dizzy Fae's single "I'm Good", Esty's single "Holy Ghost \$\$\$", and has produced two songs on the upcoming project for *Wiley From Atlanta*. He is a frequent collaborator with artists & writers such as Livvi Franc, Rei Ami, RMR, Umi, Tinashe, Unusual Demont, G Koop, Jharrel Jerome, IMind, Tatu, PVRIS, Kaelin Ellis, Chloe Black, Char, Kyle Lux, Reske, Wes and Taylor, Pell, Sylo Nozra, and more. Inspired by a diverse list of musicians, producers, and artists that includes J Dilla, Flying Lotus, Portishead, Danger Mouse, and Monte Booker, Kieran seeks to develop a unique sound that marries the emotional to the avant-garde; the beautifully familiar to the undiscovered.
