Tim Randolph is flame-throwing his way through LA's studios making rappers sweat with 197 bpm trap and spearheading the next wave of future math punk with beats so gnarly even Whethan looked up from his decks.

Tim's new releases run the gamut from Joji to Rico Nasty to 347aidan to glaive. Tim Executive produced Whethan's album *Fantasy*, as well as making writing contributions to 7 seven tracks including "Freefall ft. Oliver Tree," "All In My Head ft. grandson," and "So Good ft. bulow."
